I'd like to take this opportunity to thank all of you for your continued support throughout 2025! It has been another difficult year for retail, with meat costs continuing to rise above inflation. I am delighted to say that we have managed to keep our prices more or less the same as 2024 – and I can guarantee there has been no drop or compromise on quality! We stand by our farmers that work tirelessly to provide us with amazing choice and product throughout the year. From all of us at Team BQ – have a heartfelt, healthy and happy festive season. And a fabulous 2026! And look out for our Health and Wellbeing piece in January!! X
